

CME INFORMATION
Courage and Innovation Virtual Symposium
March 6, 2021

TARGET AUDIENCE

This activity is designed to meet the educational requirements for clinicians, physician trainees, nurses, and other healthcare professionals across a wide range of specialties in the application of innovative therapies for cardiovascular disease.

EDUCATIONAL GOAL

The purpose of this educational activity is to provide attendees with knowledge of medical and surgical therapies for complex cardiovascular disease.

LEARNING OBJECTIVES

- Explain advanced heart failure and contemporary therapeutic management
- Discuss common cardiac conduction abnormalities in heart failure and therapeutics
- Identify a basic diagnostic and therapeutic algorithm for pulmonary hypertension
- Explain current practice strategies of advanced practice providers in the care of heart failure and heart transplant patients
- Define basic diagnostic and therapeutic algorithm for pulmonary hypertension

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Gaffney Events. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this internet enduring material for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component and 60% passing on MOC test, enables the participant to earn up to **7.5 Medical Knowledge MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation for **7.5 contact hours**.

Start Date: March 6, 2021 **End Date:** March 6, 2022

FEES

Registration for the Courage and Innovation Virtual Symposium is *complimentary*. There is a fee for requesting *AMA PRA Category 1 Credits™* and nursing credit. **If you would like to receive CME or Nursing Credits, there is a \$25 fee when completing your course evaluation to obtain your Certificate.**

PARTICIPATION REQUIREMENTS

1. Read CME Information
2. View virtual presentations of the 2021 Courage and Innovation Virtual Symposium
3. Login to the following URL:
<https://gaffneyevents.wufoo.com/forms/zkrsv4i02hj4n9/>
4. Once you have registered and paid the \$25 fee, you will be directed to the *CMEsolutions* portal to complete the evaluation, credit request form and then you will be able to download or print your credit statement.

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has resolved all conflicts of interest prior to this educational activity.

Andrew D. Beaser, MD

Cardiac Electrophysiologist, University of Chicago Medicine
Chicago, IL

- Andrew Beaser has no relevant financial relationships to disclose.

John Blair, MD

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- John Blair has disclosed the following relevant financial relationships: Abbott Vascular-Advisory Board Discussant; Philips Healthcare, Abbott Vascular-Ongoing Investigator-initiated Study

Indra Bole, MD

Advanced Heart Failure, Transplant Cardiology, and Mechanical Circulatory Support Fellow,
University of Chicago Medicine
Chicago, IL

- Indra Bole has no relevant financial relationships to disclose.

Bow (Ben) Chung, MD

Clinical Associate of Medicine, University of Chicago Medicine
Chicago, IL

- Bow (Ben) Chung has no relevant financial relationships to disclose.

Jeanne M. DeCara, MD

Professor of Medicine, Director, Cardio-Oncology, University of Chicago Medicine
Chicago, IL

- Jeanne DeCara has no relevant financial relationships to disclose.

Jonathan Grinstein, MD, FACC

Assistant Professor of Medicine, Director, Mechanical Circulatory Support, University of Chicago
Medicine
Chicago, IL

- Jonathan Grinstein has disclosed the following relevant financial relationships: Medtronic-Medical Advisor

Valluvan Jeevanandam, MD

Cynthia Chow Professor of Surgery, Chief, Cardiac Surgery, Director, Heart and Vascular Center
University of Chicago Medicine
Chicago, IL

- Valluvan Jeevanandam has disclosed the following relevant financial relationships: Abbott Labs-Scientific Advisor; Toratec-Chairman CEC Momentum 3 Trial

Sara Kalantari, MD

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Sara Kalantari has no relevant financial relationships to disclose.

Gene Kim, MD

Assistant Professor of Medicine, Program Director, Advanced Heart Failure Fellowship, University of
Chicago Medicine
Chicago, IL

- Gene Kim has no relevant financial relationships to disclose.

Roberto M. Lang, MD

Professor of Medicine, Director, Noninvasive Cardiac Imaging Laboratory, University of Chicago
Medicine
Chicago, IL

- Roberto M. Lang has no relevant financial relationships to disclose.

Rachel I. Lavelle, PharmD

Clinical Pharmacy Specialist, Cardiology, University of Chicago Medicine
Chicago, IL

- Rachel Lavelle has no relevant financial relationships to disclose

Ashley Loethen, PharmD

Transplant Pharmacist Specialist, University of Chicago Medicine
Chicago, IL

- Ashley Loethen has no relevant financial relationships to disclose.

Sandeep Nathan, MD, MS

Associate Professor of Medicine, Co-Director, Cardiac Catheterization Laboratory, Director,
Interventional Cardiology Fellowship Program, Director, Coronary Care Unit, University of Chicago
Medicine
Chicago, IL

- Sandeep Nathan has disclosed the following relevant financial relationships: Getinge, CSI, Getinge, Terumo-Consultant

Hemal M. Nayak, MD

Associate Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Hemal M. Nayak has no relevant financial relationships to disclose.

Haider Nazeer, MD

Advanced Heart Failure/Transplant Fellow, University of Chicago Medicine
Chicago, IL

- Haider Nazeer has no relevant financial relationships to disclose.

Ann Nguyen, MD, FACC

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Ann Nguyen has no relevant financial relationships to disclose.

Justin Okray, PA-C

Certified Physician Assistant, MCS/VAD Coordinator-Cardiac Surgery, University of Chicago Medicine
Chicago, IL

- Justin Okray has no relevant financial relationships to disclose.

Sean P. Pinney, MD, FACC

Professor of Medicine, Co-Director, Heart and Vascular Center, Director, Clinical and Translational Research, Director, Advanced Heart Failure & Transplantation, University of Chicago Medicine
Chicago, IL

- Sean Pinney has disclosed the following relevant financial relationships: Abbott, Inc., CareDx, Transmedics-Consultant; Medtronic, Inc, Procyrion-Research Consultant

Nitasha Sarswat, MD

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Nitasha Sarswat has disclosed the following relevant financial relationships: Alnylam, Pfizer, Akcea-Consultant

Amita Singh, MD

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Amita Singh has no relevant financial relationships to disclose.

Bryan Smith, MD

Assistant Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Bryan Smith has no relevant financial relationships to disclose.

Tae H. Song, MD

Assistant Professor of Surgery, Surgical Director, Lung Transplant Program, Director, Acute MCS/ECMO Program, University of Chicago Medicine
Chicago, IL

- Tae H. Song has no relevant financial relationships to disclose.

Lynne Warner Stevenson, MD

Director of Cardiomyopathy, Vanderbilt University Medical Center
Nashville, TN

- Lynne Stevenson has no relevant financial relationships to disclose.

Roderick Tung, MD

Professor of Medicine, Director, Cardiac Electrophysiology, University of Chicago Medicine
Chicago, IL

- Roderick Tung has disclosed the following relevant financial relationships: Abbott, Boston Scientific, Biotronik-Speaker

Gaurav A. Upadhyay, MD

Associate Professor of Medicine, University of Chicago Medicine
Chicago, IL

- Gaurav Upadhyay has disclosed the following relevant financial relationships: Abbott, Medtronic-Scientific Advisory Board, Speaker; Biotronik-Scientific Advisory Board
